- Fought against closing the outdoor pool in Memorial Park. Worked with the Director of Leisure Services to add a new indoor pool in the *Memorial Park Master Plan*.
- ***Supports Youth Programs.*** Voted in council to support the motion to build the new skate park and basketball courts located in Memorial Park.
- Worked with *York Regional Police* and the *Director of Public Works* to implement a road safety program that monitors traffic concerns for *schools and school buses*. Secured stop signs and crossing guards at key intersections in Ward 6.
- Supported the efforts of *The 55+ Club* to locate to the Town offices. Supports the future relocation of the 55+ Club from Latcham Hall to a more permanent site within a major Town facility.
- Concern about downtown revitalization. Supported in Council to renew the ***Façade Upgrade Policy***. The Town loans merchants up to \$10,000 dollars interest free (paid over ten years) to do façade upgrades to their store fronts.
- Worked with council to deliver one of York Region's ***lowest tax rates*** four years in succession.

RE-ELECT Rob HARGRAVE for Councillor Ward 6.

- Rob has over 10 years of council experience managing tight budgets and capital projects of over \$50 million.
- Rob knows the *Planning Act* as it relates to the Town of Stouffville.
- Rob has a sound knowledge of the *Development Charges Act*.
- Rob is very familiar with the *Municipal Act* as it pertains to the Town's operations.
- Rob has been involved with *all the planning sessions* for the *Memorial Park Master Plan* and the *Library Expansion*. Rob has been on the Library Board for 7 years.
- Rob has strong financial and management skills that were developed by working with Fortune 500 companies for the past 20+ years.
- Rob has lived in Ward 6 with his family for over 28 years.
- *Rob knows the Ward issues and has been there to help resolve all concerns for those Ward 6 residents who have asked for his assistance.*

Highlights of what Rob has accomplished in the past four years.

- Implemented the *Corporate Efficiency Review (CER)*: The CER looked at future staffing, how current service levels can be maintained and how to best manage resources. Through this review the Town will realize a yearly cost containment of \$1.5 million.
- Worked with Council to secure a satellite office for the *York Regional Police*. The new office is located at the Town offices 111 Sandiford Drive. This office will have 21 officers working 24/7 to bring added police coverage and protection to Stouffville.
- Supports the continued expansion of *Arts and Culture* in Stouffville. Supported the motion to continue the Town's yearly grant for the *Latcham Gallery*. The grant provides over \$50,000 dollars to assist the gallery in its yearly operations.
